## BABASSU FACE

We use premium quality skin care products of Natura Bissé, Dr. Sebagh, Perricone MD and Dermalogica for our facial treatments. Choose your favorite brand to suit your skin type or let us advise you.

### NATURA BISSÉ

#### ESSENTIAL SHOCK (firmness) 90 min. € 135

First of all, your skin will be cleared of impurities with an intensive glyco-peeling with an extract of fruit acids. Then we apply the essential shock: a vial containing boosting ingredients. A combination of lymphatic drainage, classic and cellular tissue massage releases the cellular debris in your skin. Includes eyebrow shaping.

#### DIAMOND INHIBIT (anti-ageing + firmness) 120 min. € 165

After the relaxing opening ritual you will receive an intensive glyco-peeling with a high concentration of fruit acids. The combination of deep tissue massage, lymphatic drainage and classical massage nourishes the skin using the rich and powerful ingredients of the Diamond- and Inhibit-series: Natura Bissé's ultimate anti-ageing products. The finishing touch with the Diamond Frozen DNA-stick gives the skin an extra energy boost. For the best result we recommend a course of 3 treatments (€ 450). Includes eyebrow shaping.

#### VITAMIN BOOST 75 min. € 78

This skin enhancing and nourishing treatment starts with a mild cleansing of the skin. For the facial massage we use a concentrate of Vitamin C with strong anti-oxidant and forming properties. The treatment is concluded with a refreshing pineapple face mask. Includes eyebrow shaping.

### DR. SEBAGH

#### INTENSIVE CARE (anti-aging) 90 min. € 125

Intensive treatment of face, neck and cleavage. After the detoxifying lymphatic drainage and deep tissue massage, your skin will be revitalized with the Serum Repair, Vitamin C powder and a Facial Rejuvenation mask. After the treatment you can take the mask home and re-use it three times. Includes eyebrow shaping.

#### BREAK OUT (ANTI ACNE TREATMENT) 60 min. € 80

The ultimate anti-acne treatment! A thorough and deep cleansing of the skin with products of the Break Out-series, followed by a Deep Exfoliating mask, a shiatsu face massage and an anti-pollution mask.

### PERRICONE MD

#### COLD PLASMA (anti-ageing and firmness) 90 min. € 130

The Flow-massage gets you in a relaxed mood. Then you and your skin will be pampered with an intensive face treatment, a mix of massage techniques, a hydrating mask and 'double chin wrap' with Cold Plasma Sub D. Dr. Perricone's Cold Plasma-series is based on his famous neuropeptide-technology and is free of parabenes, sulfates, mineral oils and perfume. It reduces the most visible signs of ageing, like sagging skin, redness, dryness and fine lines. Nourishes, improves and stimulates the firmness and elasticity of the skin.

### DERMALOGICA

#### PERFECT SKIN 90 min. € 85

After analyzing your skin condition and in consultation with your specialist you choose the products that will generate the best result. Therefore the treatment can differ per skin type and condition. During the facial you'll be given a hand or foot massage. Includes eyebrow shaping.

#### TEENAGE SKIN 45 min. € 48

Under 20? Let us take care of the intensive cleansing and nourishing of your skin. The treatment includes a double cleansing, exfoliation, removal of impurities and a facial mask for your skin type.

## PEELINGS

### MICROSKINPOLISH

Effective treatment of fine lines, large skin pores, acne scars, pigmentation and a tired or lackluster skin. MicroSkinPolish is a combination of 3 powerful and proven technologies: micro dermabrasion, cold laser (with concentrated hyaluronic acid) and skin polishing (with vitamins, antioxidants and a SPF). For a fresh, firm and smooth skin. A monthly maintenance treatment guarantees a lasting and visible result.

Per treatment € 115

Course of 8 treatments € 800

### GLYCOPEELING € 42 (added on to another

treatment € 30)

Glyco-peeling with a 50% concentration of fruit acids which removes dead skin cells enabling new cells to make your skin glow. Fine lines and hyper pigmentation will fade. For the best result we advise 7 treatments (of which the 7th is free).

### 3-PEEL € 98

Treatment of a poorly perfused and pale skin which is in need of an energy boost. The combination of carbon powder and botanic activator has a vibrant and exfoliating effect. The subsequent deep tissue massage and Micronized Algea mask ensure that the active ingredients are effectively absorbed and the skin is fully hydrated.
